MR. BRADLEY WITHDRAWS

A Temporary Vacancy in Republican Legislative Ticket.

Nelson Bradley, one of the nominees of the republican county convention for the lower house of the legislature, has informed the central committee that circumstances have arisen which will make his withdrawal from the ticket necessary. He presented sufficiently strong reasons that his withdrawal was accepted yesterday. Mrs. Bradley is suffering from an illness which would prevent Mr. Bradley taking an active part in the campaign.

As soon as the vacancy occurred a committee called upon Judge J. M. Jamison, tendering him the nomination which he at first declined on the ground that he could spare the time from his practice, neither to enter actively into the campaign, nor to fulfill the duties of his office in the event of election. Later in the day he was visited by another committee which laid before him his duty to the republican party and presented the matter so strongly that he decided to take it under advisement. It is believed that Judge Jamison will accept the candidacy but no announcement will be made until today.

AMUSEMENTS

The Carter Stock company, featuring Misses Dorothy and Dixie Carter, will open a week's engagement on Monday, Oct. 10th, in a repertoire of fine standard up to date plays and high class vaudeville features. During this engagement some of the plays to be produced will be "Amberlenn Born," "Ticket of Leave Man," "Esmeralda," "Because She Loved Him," "A Cheerful Liar," "True as Steel," etc. They will be staged and costumed in fine style as special attention is paid to the smallest details in order to make every performance complete and satisfactory. "A Cheerful Liar" is a farce comedy of very funny situations and a laugh from start to finish, and must not be mistaken for some old play billed as "A Prince of Lovers." Popular prices will prevail for this engagement. Reserved seats on sale at Goodman's drug store.

THE MAGAZINE HERO

The magazine hero is big and broad. And handsome and brave and fine; And we who write must follow the cut And fashion him line for line.

It doesn't matter what real men are In everyday life we know; There are things the Magazine Man must be.

Or the Magazine Tale won't go. Would we dare to carve a Magazine Man In the stature of five feet four, Though the measure of men we meet each day Is very seldom more?

The Magazine Man is a "college grad," And starred on the football field. How could we make him a dry goods clerk With a pair of shears to yield?

Oh, the Magazine Hero gets in fights, And never with less than two. Imagine making him run if he could Which is just what a man would do.

The Magazine Hero loves and weds In a month or a week or a day, For it isn't a question of dollars and cents, Which is only the real man's way.

So we model him after the regular rule, And our story is read with glee. For people don't want what a real man is, But what they would like him to be. —Town Topics.

THE BEST DOCTOR.

Rev. E. C. Horton, Sulphur Springs, Texas, writes, July 19th, 1899: "I have used in my family Ballard's Snow Liniment and Horsebalm Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last eight years." 25c, 50c, \$1.00. Sold by Elvey & Hulet.

Half and Half.

The dyspeptic may well be represented pictorially as being half masculine and half feminine, and combining the least desirable characteristics of either sex. He has all the stubbornness of the man with the peevish irritability of a sick woman. He's not pleasant company at home or abroad.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and associated organs of digestion and nutrition. It renews physical health which carries with it cheerfulness of temper, and makes life a pleasure instead of a penance.

The "Discovery" purifies the blood by eliminating the corrupt and poisonous accumulations from which disease is bred. It increases the activity of the blood-making glands, so increasing the supply of pure rich blood, which gives life to every organ of the body. It gives new life and new strength.

"Your 'Golden Medical Discovery' has performed a wonderful cure," writes Mr. H. H. House, of Charleston, Franklin Co., Ark. "I had the worst case of dyspepsia the doctors say, that they ever saw. After trying several doctors and everything I could hear of, with no benefit, I tried Dr. Pierce's Golden Medical Discovery and now I am cured."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.
